Path Tutorial - Module 8: 1st Plagiarism Scenario

Learning Outcomes: Students will recognize the importance of documenting sources.

Video Script - Scene: Two friends run into each other on campus.

Lauren: How are you?

Shade: Good! What's the matter - you seem stressed?

Lauren: Well I have an English paper due. And it's due tomorrow and well.... I don't even know what to do it on!

Shade: What's it about?

Lauren: You pick a controversial topic and expand on it. And I don't even know what to do it on... er...talk about!

Shade: Don't worry, your worries are over. I did the same paper last semester. I did it on legalizing pot. I'll just go back to my dorm and email it to you.

Lauren: (skeptically) well... ok..
