

**Print Journal Cancellations – 2020/21**  
**UNCG University Libraries**

For most of these proposed print journal cancellations, we will retain access to print and online volumes published prior to 2021.

For 16 of the 83 journals on this list we will continue to receive new issues online, but with delayed access.

As an example of "delayed access", we will continue to receive access to a new issue of "The Atlantic Monthly" every month, but beginning in 2021, we won't get a new issue until 5 days after its publication.

The UNCG Libraries continue to operate an effective and efficient ILL service. We are able to obtain most articles for faculty, students, and staff within 4 - 5 working days.
